SERVICES

Planning, Design, Economics, Heritage and Townscape, Strategic Communications, Expert Witness

Our role

- A multi-service team from Turley secured outline planning permission for residential development in Allerton, south Liverpool following a Public Inquiry in October and November 2017.
- Our Planning team led the project and provided expert witness services, with a masterplan prepared by Turley Design and supporting information/evidence from Turley Economics and Heritage & Townscape.
- Turley's Strategic Communications team led the pre-application engagement.

Results

- The development will provide a range of high-quality executive homes in response to significant demand for new family homes in south Liverpool.
- Use of a multi-service team from Turley provided efficiencies in communication and project management.
- Turley continued to work collaboratively with Redrow and Liverpool City Council to secure Reserved Matters approval for the development in November 2018.
